

How to: Accessories Pricing Guide (APG)

Last Modified on 04/22/2024 12:49 pm EDT

As of 05/01/24, the Accessories Pricing Guide (APG) is available for FREE to all Volvo Retailers. Volvo Cars offers the Accessories Pricing Guide to retailers as a convenient tool to price and sell accessories to customers.

You can log in to the APG by:

- Visiting apgng.volvocars.us on your browser
- Navigating to the "Accessories Pricing Guide" tile within the Volvo Cars Portal

Once logged in, you can make the following changes to your site(s) within the **SimplePart Control Panel**:

- Adjust pricing
- Adjust labor rates
- Adjust labor time/units

To navigate to the Control Panel from your APG site, select the "Menu" Icon in the top right-hand corner and select "**Control Panel Login**"

🔄 Log Out

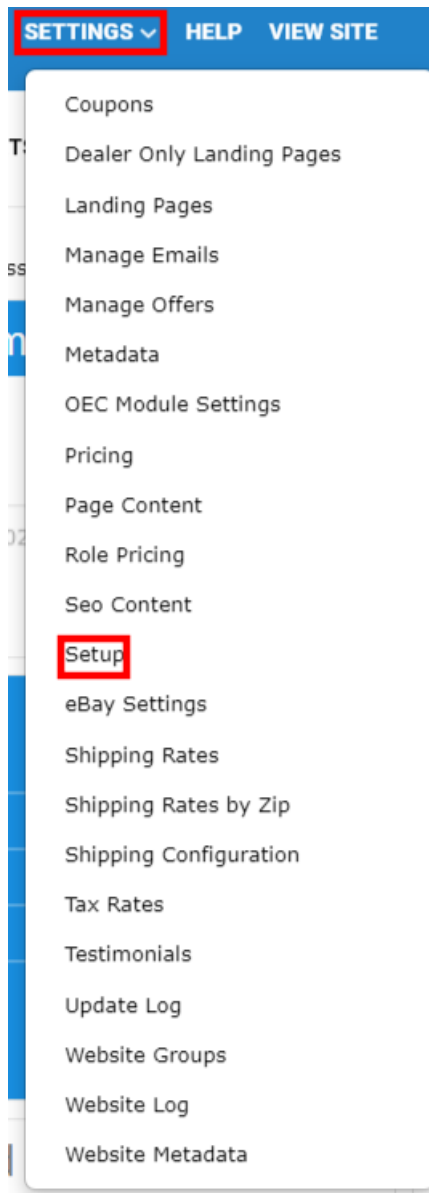

Once logged in, to ensure changes are properly reflected, **you must select the proper URL in the top right-hand corner.** This URL will look similar to *apgng.volvocars.us/?dealercode=XXXX*

Once selected, you can begin making changes to your site. Please see the links below.

Adjusting Pricing: <https://simplepart-help.knowledgeowl.com/home/adjusting-pricing>

Adjusting Labor Rate: Navigate to *Settings* --> *Setup* and adjust the *Internal Labor Rate* field. This field should be populated with a 2 or 3 digit number. By default, it will be set at 175 (175.00). Be sure to scroll down the bottom of the page and select "Save values." Please allow up to 30 minutes for your changes to reflect.

Retail Labor Rate

175.00

Use Default Value

Internal Labor Rate

175.00

Use Default Value
